Creative Arts 3 Semester Credit Hours *

Total: 15

Total Hours: 120

Foreign Language

A student must complete 12 hours of a foreign language requirement. Students can opt out from taking a foreign language course, through an examination. The score attained on the exam will determine whether the student is eligible not to take any language courses, or be placed in a second-year course, or in some cases the first or second semester of a beginning (first-year) language course
